I am an artist, and I find these pages to be so inspiring.7 of 8 people found the following review helpful. Fairly NiceBy Selah ReyThe book is a nice high quality fabric. I find it odd that words are written on pages with lots of colors on them- thus makes reading at times difficult. The book is just good to own if you are of a gypsy spirit and like to be surrounded by all things gypsy.1 of 1 people found the following review helpful. beautifulBy flashelightShe has such an eye.
