I REALLY LIKE HOW THE AUTHOR KEEPS THE BOOK SIMPLE AND SUCCINCT AS WELL.2 of 2 people found the following review helpful. Very clear concise informationBy TheManJRLike the rest of the Storey bulletins I have acquired, this one is very clear and concise. All of them have been around 30 pages but are a wealth of useable information. If you plan to start a blueberry farming business you really need more information than provided here but if like me you are planting a few blueberry bushes around the yard this is the book for you.0 of 0 people found the following review helpful. Storey Does It AgainBy Matthew MThese Storey Publications information pamphlets are excellent and cover a very, very wide range of subjects from home wine making, produce preserving, growing and using fruits, vegetables and herbs, building various structures and useful items, and many, many other subjects.
