Had to make a couple of modifications because of living in a really arid area in Australia, but it worked well!0 of 0 people found the following review helpful. Grow strawberriesBy BetsyMomI really needed this book. My Great Grannie used to grow the very best strawberries and I have been trying for years. This small book is packed full of great information to help me grow great strawberries.0 of 0 people found the following review helpful. a booklet not bookBy Nickcould have been more detailed. its like a booklet not a book.
