**Carol Klein : Grow Your Own Fruit (Royal Horticultural Society Grow Your Own)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Grow Your Own Fruit (Royal Horticultural Society Grow Your Own):

0 of 0 people found the following review helpful. Great book!By V. StacyI ended up buying two of these as gifts for gardening friends !0 of 0 people found the following review helpful. good readBy Ianlike i said in my other review, i am getting into growing my own food now and this book is very informative on how to start and maintaining your garden0 of 0 people found the following review helpful. Five StarsBy Ren-manClearly explained and thorough.

Eating fruit is good for you and an essential part of your "five a day." Growing your own is even better.The perfect

companion book to *Grow Your Own Vegetables*, (which sold 6,500 copies in its first two months of publication), *Grow Your Own Fruit* is the second offering from Carol Klein, who once again offers impeccable advice on growing the freshest, most nutritious and organic fruit. In *Grow Your Own Fruit*, expert gardener Carol Klein reveals the skills you need to nurture 40 different fruits from plot to plate. With her usual energy and enthusiasm, Klein offers green-thumbed advice for growing all your appetizing favorites plus less familiar fruits such as lemons, figs, blueberries and cranberries. Her approach is environmentally friendly and easy. The book is beautifully photographed and printed on wood-free matte paper. It includes information on growing fruit in all environments - whether planting in a garden, communal plot, raised bed, container, or window box. An ideal gift for beginners and experienced gardeners alike - this inspirational book is packed full of wisdom, making it an indispensable fruit reference for every gardener's bookshelf.

**About the Author** Carol Klein has exhibited for many years at major flower shows, winning six Gold Medals at the Chelsea Flower Show. Her regular writing, radio and TV work has made her a world-renowned gardener.
