Margaret Tapley : Growing Camellias (Cassell Good Gardening Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Growing Camellias (Cassell Good Gardening Guide):

Like delicate folds of silk from the Orient, camellia petals elegantly unfurl and take the breath away. Camellias are an amazingly versatile flower, at home in containers, hanging, as landscaping, or in arrangements. Choose which kinds suit your needs, how to plant and care for them, pruning and propagation procedures, and seasonal maintenance. Get the essential facts on selected varieties, and bask in the fantastic full-color photos of their myriad sizes, shapes, and

hues. Now you'll be able to bring the charisma of this legendary flower to your very own backyard.
