**David Thomson : Growing Fruit under Glass - The Peach and the Nectarine** before purchasing it in order to gage whether or not it would be worth my time, and all praised Growing Fruit under Glass - The Peach and the Nectarine:

All aspects of the cultivation of peaches and nectarines are dealt with in this handy volume written by an expert on the subject. Thoroughly recommended reading for the budding home gardener, it contains a wealth of information forming a complete how-to guide. This book contains classic material dating back to the 1900s and before. The content has been carefully selected for its interest and relevance to a modern audience.
