Ron L. Engeland : Growing Great Garlic: The Definitive Guide for Organic Gardeners and Small Farmers before purchasing it in order to gage whether or not it would be worth my time, and all praised Growing Great Garlic: The Definitive Guide for Organic Gardeners and Small Farmers:

0 of 0 people found the following review helpful. Good advice about growing garlic.By Dave SmithGreat advice on how to grow outstanding garlic.0 of 0 people found the following review helpful. Five StarsBy D. SmithTo me this is

the ultimate book on growing, harvesting, storing and selling garlic!0 of 0 people found the following review helpful.
Great BookBy Steve RBought this book for a friend. Great information.

The first garlic book written specifically for organic gardeners and small-scale farmers Growing Great Garlic is the definitive grower's guide written by a small scale farmer who makes his living growing over 200 strains of garlic. Commercial growers will want to consult this book regularly. The author tells us: which strains to plant when to fertilize when to plant when to prune flower stalks how to plant when to harvest Plus, how to store, market, and process the crop Growing Great Garlic makes a genuine contribution in the field of garlic classification that will help the public recognize several distinct varietal types of garlic.

.com Ron L. Engeland has made his living as an organic garlic grower in Washington State for nearly two decades. He has cultivated more than 450 strains from all over the world. If you want to grow incredible garlic for yourself, he's the man to listen to.About the AuthorFor the past fifteen years, author Ron Engeland has farmed organically with his wife, Watershine, and two children in north central Washington state. In addition to garlic they raise over 100 varieties of apples, plus peaches, apricots, plums, raspberries, potatoes, and cut and dried flowers. Ron also manages an irrigation company and writes numerous articles. He is a former state secretary of the Washington Tilth Producers' Cooperative, and served three years on the Washington State Noxious Weed Control Board.
