By Morgan Stofiel
this book has some good information, but it is not a dummies guide to growing mushrooms. it has at least one grammar or spelling error in every paragraph. on top of that it is only 36 pages. I would return it, but by the time i pay the shipping back it just wont be worth my time. i decided to put on the curb in a free box.

Getting Your FREE Bonus Download this book, read it to the end and see "BONUS: Your FREE Gift" chapter after the conclusion. *Growing Mushrooms For Dummies: (FREE Bonus Included) Learn How to Grow Mushrooms at Home + Autumn Mushrooms Foraging* The astounding planning and implementation of nature render the human mind in complete surprises.
