Security is the degree of resistance to, or protection Sfrom, harm. It has been reported that a burglary now I happens every 15 seconds. As such,thechances of your own home actually being at risk from abreak in are greatly increased, and it does not matterwhere you live. However, when people think of a break in,they think of someone gaining entry

in to their homethrough breaking some glass or smashing down doors. Yet there are certain things which could actually extend an invitation to those unwanted intruders to make an attempt at getting into your home. Get all the info you need here.
