Walter Reeves : Guide to Louisiana Vegetable Gardening (Vegetable Gardening Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Guide to Louisiana Vegetable Gardening (Vegetable Gardening Guides):

4 of 4 people found the following review helpful. maybe I can grow veggies nowBy cheryl garretthis book is very detailed and takes you through all the steps needed to plant and care for your favorite vegetables.2 of 2 people found the following review helpful. Great BookBy RickeyHighly recommend this book to a vegetable gardener that lives in the south. It is very informative I will look at it a lot..10 of 13 people found the following review helpful. Southern,

yes; Louisiana barely...By LAnorthshoreAll in all the book is very informative, but much like any other vegetable gardening book. As for it being a guide to Louisiana vegetable gardening, I am wondering why tips to grow our favorite creole tomato is not included.

Gardening is now the favorite outdoor leisure activity in America. Homeowners realize the health benefits available from gardening and the potential increase in their home's property value. Regional gardening titles offer the most useful advice because they provide credible information on the plants that perform best in specific states. Gardeners want information they can trust and use successfully in their own gardens. The Arizona Gardener's Guide is a full-color plant selection resource guide written especially for Arizona gardeners. It includes the top 175 landscape plants as recommended by one of Arizona's most respected horticultural experts.

About the AuthorWalter Reeves is known as "The Georgia Gardener." He is the award-winning host of the very popular Georgia radio program "The Lawn and Garden Show with Walter Reeves." He is an easygoing, instantly likeable, funny guy who has an immense knowledge of plants and gardening. As a Georgia Extension agent (now retired after twenty-five years of service), Walter gained an enormous in-depth knowledge of plants, plant culture, and plant problems as he helped educate the public about plants. Walter is the original co-author of the Georgia Getting Started Garden Guide (Cool Springs Press) as well as the co-author of Month-by-Month Gardening in Georgia (also for Cool Springs Press).
