James Fizzell : Guide to Missouri Vegetable Gardening (Vegetable Gardening Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Guide to Missouri Vegetable Gardening (Vegetable Gardening Guides):

6 of 6 people found the following review helpful. Not from Missouri, No local infoBy oliver dreherThis Author is not from Missouri. He studied everywhere but Missouri, and was employed and farmed in Illinois. I would Skip this book. The author is just trying to make a quick buck. Buy the book by Becky Homan, it is much better, by a lot. Becky gives

stories of real people, provides real contacts in Missouri, and interviews the best and brightest from Missouri's best to know!0 of 0 people found the following review helpful. happyBy Pro-E UserAs I expected this item came quick with no damage, is part of my collection, and reading it now.I Really enjoy using it.0 of 0 people found the following review helpful. A great resource!By Tim PerryThis book has been my go-to guide as I try out my first vegetable garden in St. Louis' unpredictable climate. So far, so good!

This book offers advice on everything from starting your garden from seed, to planning your garden with helpful space saving techniques. Make this guide a must-have resource for anyone interested in growing vegetables, no matter what their space requirements. Helpful charts will outline when to plant and when to harvest cool and warm season vegetables.

About the AuthorJames Fizzell has more than 50 years of hands-on horticultural experience, making him the source other experts turn to with their toughest turf, vegetable, landscape, and plant problems. Fizzell is well known to midwest gardeners through numerous appearances on radio and TV and from articles for neighborhood weekly newspapers. Jim has written more than twelve books for midwest gardeners for Cool Springs Press.
