**James Fizzell : Guide to Ohio Vegetable Gardening (Vegetable Gardening Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Guide to Ohio Vegetable Gardening (Vegetable Gardening Guides):

1 of 1 people found the following review helpful. Great GiftBy capsquareBought this for two of my kids who love to garden is has a lot of helpful information . But , they dont call me up for help anymore cause most of their question are answered in the dern ol book0 of 0 people found the following review helpful. Great garden bookBy Marcia J RoodIt gave me all the info I needed for where I live and the size of my garden which is not large.4 of 5 people found the following review helpful. This is a must-read for first time gardeners in Ohio.By CustomerAlthough I am an

experienced gardener, I grew up in Florida and most of what I had learned about gardening did not apply to what I could grow in a northern climate. Ohio was a whole new world for me. After two years of lack luster gardens and disappointing crops, I broke down and read a book. Using what I learned in this book, my garden is exploding this year.

This book offers advice on everything from starting your garden from seed, to planning your garden with helpful space saving techniques. Make this guide a must-have resource for anyone interested in growing vegetables, no matter what their space requirements. Helpful charts will outline when to plant and when to harvest cool and warm season vegetables.

About the Author James Fizzell has more than 50 years of hands-on horticultural experience, making him the source other experts turn to with their toughest turf, vegetable, landscape, and plant problems. Fizzell is well known to midwest gardeners through numerous appearances on radio and TV and from articles for neighborhood weekly newspapers. Jim has written more than twelve books for midwest gardeners for Cool Springs Press.
