Lucy Worsley, David Souden : Hampton Court Palace: The Official Illustrated History (Architecture New Titles) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Hampton Court Palace: The Official Illustrated History (Architecture New Titles):

Anything that has anything to do with that period of British history I am getting my hands on it. I also love watching the documentaries that Lucy Worsley hosts. So when I found this book about the palace most associated with King Henry VIII and that Ms. Worsley wrote it, I had to have it, and it did not disappoint. It is a treasure for anyone who is a Tudor fan, or a fan of British History, Monarchies and architecture. The photos are vibrant and beautiful, and there is in depth history to accompany it. It is a great addition to my personal British Royal Library! 2 of 2 people found the following review helpful. Beautiful pictures! By

M. Hood Beautiful pictures! Full of information! I really love this book. I didn't buy when there and realized that was a mistake. I ordered as soon as returning home and, happily, didn't pay a lot more than I would have if I had bought on location. 0 of 0 people found the following review helpful. Five Stars By Pattonmcclatchy Gear book wonderful illustrations! Great photography, wonderful information truly a great read for all ages!

Situated beside the River Thames south-west of London, Hampton Court Palace was a centre of court life in England from 1529 to 1737 and remains one of the finest palaces in Europe. The Official Illustrated History celebrates this intriguing architectural ensemble, including the palace's original sixteenth-century building of Henry VIII's reign. It features full coverage of the famous formal gardens and also reveals the lifestyles of monarchs, mistresses and courtiers. Includes full coverage of Hampton Court's famous and everpopular formal gardens, a precious survival of gardening 300 years ago In the same series as Merrell's highly popular official illustrated histories of the Tower of London, Kensington Palace and Kew Palace

About the Author Lucy Worsley is Chief Curator of Historic Royal Palaces. She has published widely on England's architectural heritage. David Souden is Head of Access and Learning at Historic Royal Palaces and was previously an independent author and television producer.
