Grant Cunningham : Handgun Training - Practice Drills For Defensive Shooting before purchasing it in order to gage whether or not it would be worth my time, and all praised Handgun Training - Practice Drills For Defensive Shooting:

2 of 2 people found the following review helpful. Useful information for beginning to intermediate shootersBy MarkUseful information for beginning to intermediate shooters. Grant does a great job of communicating the essence of Combat Focus Training techniques and is full of practical advice and drills for improving your gun handling and defensive shooting skill set. He does a good job of covering technique, drills and expert advice for improving your combat shooting skills. If he ever holds a class near me, you can bet I'll make the time to attend one of his live training sessions.0 of 0 people found the following review helpful. I believe that this instructional manual has some great practice suggestions and methodsBy dchicksI'm a relative novice to concealed carry and handgun basics, but plan on continual improvement. I believe that this instructional manual has some great practice suggestions and methods. Glad

that I bought it.0 of 0 people found the following review helpful. great bookBy Michael D.great book

You have a handgun for self-defense, and have taken a good defensive shooting class. How do you practice and maintain those critical skills? Handgun Training: Practice Drills for Defensive Shooting by Grant Cunningham has the tools you need to hone your skills at your favorite range. Inside you'll find:
