The pictures are top notch and the drawings good quality. I have many books about bonsai, and can say that reading and watching this author work the trees through the progressions in this book have helped me more than any other books on the subject.0 of 0 people found the following review helpful. excelente para aprenderBy DVD GTExcelente libro explica muy bien y aprend varias cosas nuevas seguramente lo tengo que volver a leer y no es problema xq la verdad el libro por describir progresiones es emocionante, nada aburrido1 of 1 people found the following review helpful. Great stuffBy GLFBoth of the Harrington books have plenty of great information and the digital versions are a bargain.

Bonsai4me was initially launched as a website by its author, bonsai artist Harry Harrington, in Oct 2001 and from humble beginnings, the website has grown year-on-year as its reputation for clear, interesting and informative articles grew. Bonsai4me.com now attracts nearly 2 million visitors every year from across the world. 'Bonsai Inspirations 2' is divided into 5 chapters, each chapter covering the progression and development of a bonsai over a period of many years, illustrating in great depth how impressive and majestic bonsai can be created from humble beginnings. In-depth articles, diagrams and many hundreds of photographs have been inserted into each Chapter to help explain and illustrate the techniques involved in the development of each bonsai. Species covered in detail within the book include Linden or Lime, Small-Leaved Cotoneaster, Japanese Maple and Chinese Juniper. Each chapter includes indepth

articles covering subjects such as Juniper Styling Techniques, Creating Deadwood by Hand, Approach-Grafting New Roots and Photographing Bonsai. 'Bonsai Inspirations' has been written to provide interest and inspiration as well as information to bonsai enthusiasts of all levels, whether they are novices looking to learn how to look after their first trees, experienced growers or bonsai professionals.
