Pro Pool Girl : Help! We are Buying a Home with a Swimming Pool:: A Guide to Purchasing a Home With a Swimming Pool (Swimming Pool Ownership and Care) before purchasing it in order to gage whether or not it would be worth my time, and all praised Help! We are Buying a Home with a Swimming Pool:: A Guide to

Purchasing a Home With a Swimming Pool (Swimming Pool Ownership and Care):

0 of 0 people found the following review helpful. Are you kidding?By Kindle CustomerThis was nothing more than a long blog post. No real substance at all. I begrudge the \$1.98 I spent on this.0 of 0 people found the following review helpful. The information is useful, although it is fairly easily found these daysBy Scout IIThe information is useful, although it is fairly easily found these days. The book as it is, is very short though. As a free book through Kindle Unlimited - I would give it 4 stars. As a purchased book - I would give it 2 stars though. Just not enough meat to be worth paying for, especially when you can get that information for free elsewhere.

If you are thinking of purchasing a home with a swimming pool, this book will be your guide before you sign on the dotted line and once you have moved into your dream home. Tips include what to ask the seller, whether you should you have a pool inspected and what simple steps get you swimming with confidence.

About the AuthorPro Pool Girl has over 25 years of experience in the swimming pool industry. She enjoys sharing her expertise with her customers through education and common sense solutions. She and her husband have owned and managed a swimming pool construction and retail business for over 25 years.
