A G Bridgewater : Home Gardeners Water Gardens before purchasing it in order to gage whether or not it would be worth my time, and all praised Home Gardeners Water Gardens:

What could be a more refreshing addition to a garden than the sight and sound of bubbling, gurgling, flowing water? This lushly illustrated guide gives an overview of various exquisite styles, with advice on planning, construction, oxygenation and filtration. Inspirational pictures and diagrams showcase a willow pattern, castaway island and Japanese water gardens. In addition to information on stocking ponds with plants, fish and other aquatic life, there is full coverage of maintenance, improvements and troubleshooting.
