**Allen Lacy : Home Ground: A Gardener's Miscellany** before purchasing it in order to gage whether or not it would be worth my time, and all praised Home Ground: A Gardener's Miscellany:

0 of 0 people found the following review helpful. Musty odor in bookBy MaggiekinsI purchased the book to give to a friend new to gardening. I was disappointed the book I received had a musty odor and the cover was dirty. It was rated as being in good condition. I hope the smell goes away for my friend's sake.0 of 0 people found the following review helpful. but still a good read and basic goodBy Vashon GardenerCharming book, it's dated now, but still a good read and basic good information

The respected gardening columnist offers sixty short pieces on subjects of interest to backyard gardeners and horticulturists, subjects ranging through a variety of flowers, their attractions and flaws, and their places in the garden.

About the AuthorAllen Lacy is professor emeritus of philosophy at Stockton College and the author or editor of ten books on gardening. He was the garden columnist for the WALL STREET JOURNAL for five years and for the NEW YORK TIMES for seven. A native Texan, he lives and gardens in southern New Jersey.
