Attention Homeowners, Landlords or Renters! Property can be lost in a fire, theft or other incident. Keeping a detailed list of contents is important if you experience a loss. The value of Personal Possessions such as furnishings,

appliances, electronics, clothing and more can be worth a lot. An accurate record and proof of ownership can make it easier to receive payment for claim settlements that may be due in case of loss. This book contains blank forms to enter the following: Name of Insurance Company Policy number and contact information Room (Where Item is normally located) Date Inventory Recorded Item (Detailed) Description of Item List Brand, Model, Serial Number or identifying product number Quantity of Item(s) Purchase Date Purchase Price This Home Inventory book makes it easy to record and save a record of all possessions. Enough pages to record over 2000 items.
