John Rybski : Home Safety: And Disaster Preparedness Guide before purchasing it in order to gauge whether or not it would be worth my time, and all praised Home Safety: And Disaster Preparedness Guide:

The most complete Do It Yourself Guide to Home Safety and Residential Disaster Preparedness. Learn Prevention Tips, how to develop an escape plan, create a home inventory and much more.

About the Author John Rybski has been in the disaster repair industry for over 26 years and has helped over 2000 residential and commercial property owners rebuild after their disasters. After seeing the devastation, he has been committed to teaching homeowners how to prevent disaster from occurring. Many insurance companies, fire departments and other municipal authorities recommend the type of disaster preparedness taught in John's book. He is a member of the Home Safety Council Expert Network, holds the designation of a certified restorer and has been

trained through Texas A M in identifying terrorist threats and weapons of mass destruction. Disaster prevention saves lives!
