The patterns and sewing techniques were great to have for projectsBy deborah ParkhillThe patterns and sewing techniques were great to have for projects. I really did not most of the projects that were suggested, but will use for my own projects.

Fill your home with the best of classic and contemporary French style. With these 35 stunning projects for homeware and clothes, you can capture the beauty of French design. Each chapter looks at a different style: L'elegance des

Chateaux de la Loire, with toile de Jouy and textured fabrics; A la campagne, inspired by effortless rural chic; La belle Provence, in a brighter colour palette; Au bord de la mer, with Breton stripes and vibrant Basque fabrics; and Paris, je t'aime, using solid colours and graphic prints. Discover how to make practical items, decorative pieces and simple garments; from cushion covers and table linen to fabric pinwheels and lavender bags, and from curtains and bedding to an apron and A-line skirt, there is something for every sewer here. With advice on using French style in the home, and a section on sewing techniques, even beginners can try their hand at making these gorgeous, French-inspired pieces.

About the Author Amelie Morin-Fontaine started sewing over 10 years ago and has never stopped since. She has written a blog on sewing since 2008 (mydaruma.wordpress.com). Having worked as a library curator for 12 years, she has now co-founded an e-book project in France, citronours.fr, and her e-book *Bien debuter en couture* ('Sewing for Beginners') was released in August 2013.
