Lucy Peel : Hortalizas, frutas y plantas comestibles (Jardineria Practica) before purchasing it in order to gage whether or not it would be worth my time, and all praised Hortalizas, frutas y plantas comestibles (Jardineria Practica):

With both expert and novice gardeners in mind, this series provides the background information, general characteristics, planting, and care information for various flowers, trees, shrubs, and fruits and vegetables. Tables listing the most popular species, with seasonal guides indicating when to plant and when to harvest, are provided, and soil quality, drainage, disease, sun and shade, and general troubleshooting are also addressed.
