**Lynne Collier : Hosting a Shire Party: Costumes, Food and Games** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hosting a Shire Party: Costumes, Food and Games:

0 of 0 people found the following review helpful. Think twice.By GranthelperMost of the content was just descriptions of general types of characters. Instructions were how to patch a costume together from Bermuda shorts and other odds and ends. Many of the pictures were of Renaissance Faire type dresses that were probably owned prior to the 'Shire Party on a budget'. Directions not included. And the menu was authentic Olde English "shire fair" seedcake, roots and

hardtack, with beverages chosen for labels, not taste. Not my idea of a good time!0 of 0 people found the following review helpful. Good readBy BlakeInteresting read, wouldn't spend money on it, as its basically a blog. But was fun and helped shape some ideas.

Are you a fan of the Lord of the Rings and Hobbit movies and wish you could host your very own Middle Earth Shire party? Well here's some help! Last year I hosted my own Shire party and I wrote about it so you could use some of the ideas and learn from my mistakes. There's a ton of pictures and suggestions for costumes, food, decorations and games, with links to sites online to learn more. All you need to host a successful and fun-filled Shire party of your own!

About the AuthorLynne is the founder of White Rose Writers, a website for finding literary services. She writes about her faith, her gardens and her experiences growing up in mid-century England. Lynne was also the garden columnist for an online newsletter for three years. When she's not writing, Lynne enjoys gardening, day trips in the country and celebrations of life - no matter how small. She lives in Ontario, Canada with her husband and her cat. Lynne has three grown children and four grandchildren.
