**Sally Clark, The Editors of House Beautiful Magazine : House Beautiful Decorating Details (House Beautiful Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised House Beautiful Decorating Details (House Beautiful Series):

More than 100 color photos take the mystery out of selecting and showing off these accents by exploring the five guidelines: shape, scale, texture, color, and finish that are the major criteria in all professional design decisions. Determine which pieces go together, how many are enough (or too much), what background highlights a painting most effectively, and how to make any arrangement dramatic.
